Career-Related Learning Standards

The career-related learning standards (CRLS) are fundamental skills essential for success in employment, college, family, and community life. The CRLS will be most meaningful when demonstrated through integrated, interdisciplinary approaches and hands-on activities such as accomplishing a task or discovering a solution to a problem, in the classroom or career-related learning experiences. The CRLS are a requirement for the Certificate of Advanced Mastery (CAM) and the high school diploma (in 2006-07).
